

I, Jana Lynn, am a Massage Therapist. I am not a licensed physician. Massage therapy services for healing purposes are not licensed by the state of California. I am licensed as a massage therapist by the city of Walnut Creek.

I perform Swedish Massage combined with deep tissue, myofascial release and shiatsu. These techniques improve circulation, decrease aches and pains, relax not only specific muscles but the entire body. Through the integration of mind and body, this therapy promotes an overall better sense of well being.

I have received my training and education at the National Holistic Institute.

In order to use my services, California state law requires that you acknowledge receipt of the information provided in this form and that you sign it. You will receive a copy. I will keep the original in my records for at least three years.

My methods of treatment, massage therapy and bodywork, are alternative or complementary to healing arts that are licensed by the State of California. Under Sections 2053.5 and 2053.6 of California's Business and Professions Code.

If you ever have any concerns about the nature of your treatment, please feel free to discuss them with me. I recommend that you inform your medical doctor that you are receiving bodywork.
